FEELING GOOD

FRESHMAN CLASS OFFICERS

Front row, Pam Cotman — President; Back row, Left to Right: Jason Morgan, Vice President; Vickie Pierce, Treasurer; Mike Howe, Representative; Richelle Henderson, Secretary; Not shown Club Sponsor, Mr. Cutler.

FRESH IDEAS . . .

The difference between Middle school and High school was such a dramatic on that the 1986-87 school year offered many challenges from ninth graders, getting used to administration . . . going from one end of the school building to another while still find time to go to one's locker, talk to friend . . . get to class on time . . . adjusting to exams . . . size of the school . . . Getting lost in the big school was frightening to numerous freshman . . . Generally, newcomers formed opinions of the high school rather quickly though many of these feelings seem to change. Bethel students apparently had a change of heart regarding first impression of the school . . . Now the majority of freshmen Bruins had mastered the hallways and schedules with blindfold on . . .

When the bell rings signaling the end of sixth period, students rush to their lockers and cars making the hallways and parking lot positively spilling over!

KIM TANNER and TAMMI WILLIAMS: WHAT'S NEXT? WHAT ELSE?

EDDIE JONES: Can't find a ride? Why not . . . TRY THE BUS??

CLOSENESS IS FELT BETWEEN STUDENTS

SPILLING OVER

The halls are flourishing with an astouding 1,500 students ready to expand their friendship to newcomers and those never met. "OVERCROWDED" is one way to put it, but "Togetherness" sums it up better. Students are certainly spilling over.

There are many electives offered at Bethel High School. From typing to woodshop, there is something for every student.

Many choose to take elected courses that will benefit them in a career. Typing, computer, and shorthand all teach skills needed in college as well as in many jobs; almost everyone has room for a few electives in his or her schedule.

BRUINS REGAIN WINNING FORM

The Bethel Varsity opened the season with a convincing 33-7 victory over Ferguson in route to a slot in the district championship game against archrival Hampton at the end of the season. The Bruins posted a 6-4 record overall and 5-3 in the district. Bethel outscored our opponents 178 to 105 over the season. We dropped a hard-fought defensive battle against Hampton 10-0 to finish in 2nd place in the district.

Bethel missed making the Division II playoffs by .04 of a point.

The Bethel J.V. also returned to their winning ways by posting an impressive 5-3 season despite forfeiting 2 games. Their unofficial record was 6-1-1 including a rock and roll 13-0 shutout of the Hampton J.V.

Departing seniors: William Beverly, Cyrus Boyd, Sal Buccellato, Rusty Byrd, David Crews, Steve Faltz, Derrick Fennell, Carl Francis, James Jones, John Lego, Gary McClenney, Tony Palmieri, John Perez, Ray Ransom, Jason Wallace, Darrell Weaver, Rodney Winston, Delton Wright, and Kevin Williams made a solid contribution to out team and will be missed next season.

RUNNING WITH THE WIND

The 86-87 Cross Country season began rather dismally in the eyes of Captain Mike Easmeil. There were only three returnees from the previous year and few rookies were expected to come out. Coach Morgan pulled the team together; however, and this goup or (originally) 3 turned into 15 runners making the fourth best team in the District and Hampton City Champions. Next year the Bruins can only expect to do better with only three seniors leaving.

A slam-dunk delivered by Rodney "Do Ya' Dance Burley."

"DO YA' DANCE"

The 1986-87 Bruins have done their dance to be a contender in the Peninsula District. At one point, the team held 2nd place.

The slogan "Do Ya' Dance" was introduced at the spaghetti dinner which opened the season. Many other promotions, including sweatshirts, bumper stickers, calenders, and posters urged the team to "Do Ya' Dance."

Certainly the Christmas tournament in Johnstown, Pa., was a highlight of the varsity's season. Bethel competed against nationally ranked Cardinal Gibbons and Johnstown, the host team, in this 3 day journey.

Rodney Burley's 37 points against Lafayette had to be a high. Also his basket at the buzzer in a win over Ferguson was a steelar achievement.

Crowds increased significantly and Bethel Basketball began to draw in the sixth man, the fans, by stunning halftime shows and exciting play on the court.

Senior leadership was a big part of the team's success, but the future remains bright because of an abundance of retaining under classmen.

GIRL VARSITY BASKETBALL TEAM
"LADY BRUINS" 1986-1987

The 1986-87 Lady Bruin Squad did very well for a young team. This Squad was Co-Host for The First Hampton City Invitational Tournament of which they took 3rd place. Senior Angela Scott was voted to the All-Tournament Team.

Under the leadership and guidance of Head Coach Pope and Assistant Coaches Lewis and Eley, the team in their rebuiding post has a 9-7 record at this writing. This young team has defeated the district second and fourth place teams to earn them a lot of respect in the district.

Senior Angela Scott and Junior Chemene Pope were chosen by the team to lead them as Captain and Co-Captain for 1986-87.

At this writing the team is fifth in the district with two district games to play. Angela Scott holds the 3rd place for scoring in the district with 18 points.

The depth and talent of this team are still completely untapped. "Aim for the Stars girls, and if you miss, you'll land pretty high up anyway."

It is projected that the 1986-87 J.V. Basketball team will finish with at least a 500 season. PIN

The Bethel Wrestling team finished this season with a surprising 7-1 District Record. For a team that was not even picked to have a winning season, the Wrestling Team shocked many people by grabbing Second place in the District race. Coach Jimmy Charles and Coach Mark Silva, under there first year as coaches were of the few people who believed in the ability of the Bethel Team. "At the beginning of the season we knew that we would have a tough team. Although the team was young, there were many high spirited young men on the team that were eager to learn," explains the coaches, this eagerness and spirit is what sent the wrestlers to the top of the District this year, and will continue to get them there for years to come.

GIRLS' SOFTBALL

Bethel's softball team has been very successful the past few years. In 1983, the team's first year as a Varsity sport, the Bruins won the District title and had a record of 13 wins with only 4 losses. The next year, 1984, the team was again District champions with a record of 14 wins against 4 losses. The District title remained with Bethel in 1985 as the team finished with an impressive 16 wins against 3 losses. Last year the Bruins finished the year in third place with a winning record of 12-6. In four years of existence, the Softball team has the best winning percentage of any Bethel team with a 55-17 record, a 76% winning percentage. These teams should be congratulated for a fine effort.

BASEBALL

This year's addition of the Bethel Bruins Baseball Team features young talented performers, who if they play up to potential and as a unit, could be a force to be reckoned with in the Penisula District. Led by Senior Jeff Harris, last season's most effective pitcher, and Todd Kelly the Bruin's hard hitting outfielder, Bethel is looking for an upper division finish, at least, and a District title at best. Coach Bouchard feels that this year's club has the ability to be most representative of the fine baseball tradition here at Bethel High. "With three sophomores as probable starters and only two seniors, experience is our obvious short-coming; however, we have some fine young arms on our pitching staff, and the team's attitude and desire to accomplish our goals should hold us in good stead with the rest of the league."

Sophomore, Tracey Nash prepares for batting practice in early spring drills as Coach Bouchard looks.

POLARIS POETRY

Polaris has a message meant for you.
A VHSL First-Place proves it true
That here are those who seem to have a gift
With weaving words that give the heart a lift.
Shakespeare was smitten with this talent, too.
I'm glad that he developed it, aren't you?
Too bad the kids who went to Avon High
Were not as blessed by chance as you and I.
They knew the Bard before he made his fame;
They had no chance to glory in his name.
Old Bethel High School smiling by the Bay
Shall not be left as destitute as they.
Like football, track, and every other game.
The Bruins write for literary fame.

As editor of the **Bear Facts** this year, I feel we have taken steps to improve an already good paper. We have tried to leave school grounds and report on some aspects of society that effect our student population. On a practical basis we have increased the size of our paper from 8 to 16 pages, and have purchased a computer to improve the looks of the **Bear Facts.** All in all, '86-87 has been a very good year. We would like to thank all the students and faculty, and wish everyone the best of luck in years to come.
